History

As a style the rose is a wine category which allows a richness of styles resulting from different creative solutions. The moment of separating the juice from the skins and the fermentation methods after that determine the type and the intensity of the flavors. In this wine a harmony between the flavors of the three classic red grape varieties is achieved. Unique style is created, having aristocratic elegance, overflowing one ton in another fruitiness of flavor and tenderness of taste.

Vinification

Maceration with the skins for 6 hours. Fermentation in inox for 30 days at a temperature 14-16°C.

Tasting notes

Beautiful rose color with brilliant glitter. Tender, fine, rich and attractive flavor of ripe strawberry, black cherry, raspberry and violets. The taste is fruity, with nice freshness. The finish is extraordinary long with soft and tender fruity aftertaste.
