MEDI VALLEY

eXcentric Rose

Origin: Danube plain
Vintage: 2025
Variety: Rondo & Cabernet Franc
Alcohol content: 14% vol
Date of harvest: 09-22 September

History

The Rondo grapes come from Medi's own vineyards in the area of the village of Boynitsa, near Vidin. The concept for the wine was built on the balance and the harmony of aromas, formed under long low temperature fermentation. The main idea is to preserve eXcentric style, built during the last years.

Vinification

After 3 hours maceration with the skins, the juice was separated. Fermentation in inox for 45 days at a temperature of 14°C.

Tasting notes

Beautiful pale pink color, with shades of ripe peach and brilliant shine. Tender, fine, rich and attractive aroma of white peach and white cherries with accent of violets and white flowers. The taste is fruity, with nice freshness. The finish is long, with soft and tender fruity aftertaste.
