MEDI VALLEY

A Good Year Cuvee

Origin: Thracian Valley
Vintage: 2023
Variety: Merlot 40%, Cabernet Sauvignon 30%, Cabernet Franc 30%
Alcohol content: 13,5% vol
Date of harvest: 22 September / 7 October

History
It is an indescribable challenge to merge the explosion of flavors and the richness of tastes and colors of Cabernet Sauvignon, and Merlot. The third variety in the blend – Cabernet Franc contributed to the creation of a harmonic, balanced, complex and attractive wine – a symphony for the lovers of rich, dense, velvet, mature and tasty wines with their own style and multilayer, inimitable aromatic profile.

Vinification
The wines from the different varieties were produced separately from selected, well ripe, hand-picked grapes, delivered to the winery in small cases and sorted on a double sorting table. Right after the fermentation the wines were blended. The wine matured for 12 months in French oak barrels "barrique" type until it reached completeness and harmony.

Tasting notes
The wine is with intensely dark ruby color with glitter. Blueberry, ripe blackberry and red forest fruits completed by strings of confy, chocolate and vanilla and piquant accent of pepper and leaves of blueberries can be found in the flavor. The taste is multilayer, voluminous, velvet, fruity and juicy with long chocolate-vanilla aftertaste.
