### History

The grapes for this wine come from the vineyard of the Thracian Valley. We chose that vineyard because of the specificity of the terroir which is exceptionally favorable for growing white varieties.

### Vinification

We selected the ripe grapes on the vineyard and after that we vinificated it at Medi Valley. Cold maceration with the skins for 12 hours. Fermentation in inox barrels at a temperature 14°C for 30 days.

### Tasting notes

Distinguished by its beautiful pale yellow color with greenish hues. The aroma is complex, colorful with tones of lemon peel and grapefruit and mineral accents. The body is soft and dense, with marked freshness of flavor and spicy peppery finish.
