MEDI VALLEY

Incanto Merlot

Origin: Thracian valley
Vintage: 2023
Variety: Merlot 100%
Alcohol content: 13,5% vol
Date of harvest: 6 September

History
Emblematic red wine made from the grape of the unique terroir of the village of Smochevo. It follows the winery's concept for creating multilayer terroir wines, compelling with their richness in flavors, tastes and colors, expressing the qualities of the grape variety and the region as well as the understanding of the oenologists of wine, tenderness and harmony. Frequentative gold medal winner of VINARIA wine competition.

Vinification
Incanto Merlot wine was made of the grapes selected from a single vineyard in the Valley of Struma River. At first the vineyard was selected. Then, in the cellar, the grapes were precisely selected on a sorting table – after separating the grapes from the stalks, the remaining stalk parts, the bad and unripe grapes were removed by a machine. From the ripe, good and sweet violet-red grapes, thus selected on the vineyard and in the cellar, this wine was made for 25 days in inox tanks and fermentation under 25-30°C temperature – it is a symphony of colors, tastes and flavors. It matured 12 months in new, special French barrels "barriques" type, made of three types of French oak, where it reached harmony and completeness.

Tasting notes
The color is beautiful, dark red. The multilayer fragrance profile expresses the unique terroir of the valley. The fragrances of forest fruits, ripe prune, chocolate, coffee, coconut and vanilla flow form the wine fragrance into its rich, complete and velvet taste.
